

THANK YOU

Special thanks to Green Hill Executive Assistant Barbara Heins for her tireless efforts by day in helping us produce the Green House® Gala, and her tireless knitting by night to create the glorious baby items for the Green House Gala basket raffie.

Many thanks to the staff of Green Hill for working the phones to promote the Green House® Homes project and garner much needed support for the Green House Gala.

Thank you to our wonderful board of trustees without whose staunch support the Green House Homes program would not have materialized, and whose efforts made this wonderful evening a great success for the Green Hill organization.

Green Hill Inc, its board of trustees, staff, and residents thank the following for their generous support of the Green House Gala.
