Green Hill, Inc.  
103 Pleasant Valley Way  
West Orange, New Jersey 07052

GREEN HILL INC., GENERAL INFORMATION FOR PRESS

- Ms. Toni Lynn Davis, Green Hill, Inc. Executive Director/President
- Green Hill, is a non profit organization, and has been serving seniors in West Orange, NJ for over 142 years providing nursing and rehabilitative care, and residential living.
- Green Hill currently has 144 residents with an average age of 89.
- Residents are free to roam the bucolic 20 acre property.
- Green Hill has a wander alert system for mobile residents with diminished impairments that will alert staff when an impaired resident is at an exit.
- Green Hill recently broke ground on **The Green House** homes. The first of its kind in New Jersey provides ‘traditional home style’ nursing care facilities for the elderly. (Information attached.)
- For more information on Green Hill visit [www.green-hill.com](http://www.green-hill.com)

Quote from Ms. Davis with permission to publish:

***“Green Hill currently has 144 residents with an average age of 89. The Silver Alert bill is invaluable in protecting the safety of our elderly. It also provides an added safe-guard and piece of mind for their caregivers. I commend Governor Codey and the NJ Legislature for this important legislation,”*** said Toni Lynn Davis, Executive Director/President, Green Hill Inc.
